

# MAM-5MM2203M0A

SKU: 236125

Converter, 4K HD-TVI, HD-CVI, AHD, auf HDMI, Indoor 12VDC

## Main Features

|                                                                                 |                                    |
|---------------------------------------------------------------------------------|------------------------------------|
| Video input resolution up to 4K/ 8MP                                            | Built-in RS232 interface           |
| Video output resolution up to 4K for HDMI, 1080p for VGA and NTSC/PAL for CVBS. | Supports PIP (Picture in Picture). |
| Built-in loop-out for daisy chain or a DVR.                                     | Supports OSD (On Screen Display)   |
| Built-in 3.5mm audio input                                                      | Supports UTC (Up the Coaxial)      |

## Specifications

|                               |                                   |
|-------------------------------|-----------------------------------|
| General:                      |                                   |
| Dimensions (HxWxD)            | 125x130x30mm                      |
| Series                        | eneo COAXIZE                      |
| Housing                       | aluminium                         |
| Color                         | anthracite / black                |
| Supply voltage                | 12VDC                             |
| Power consumption             | 3.8W                              |
| Weight                        | 370g                              |
| Parts supplied:               |                                   |
| Parts supplied                | manual,bag of screws,PSU,feet set |
| Interfaces / Inputs/ Outputs: |                                   |
| Video inputs                  | BNC-female                        |

# MAM-5MM2203M0A

## Continuation of the specifications

|                           |                                                                            |
|---------------------------|----------------------------------------------------------------------------|
| Video inputs (type)       | AHD, CVI, HD-TVI                                                           |
| Video inputs (amount)     | 2                                                                          |
| Video outputs             | BNC, HDMI, VGA                                                             |
| Video:                    |                                                                            |
| Resolution                | 3840x2160, 1920x1080 (16:9), 1280x720 (16:9), 720x576 (4:3), 640x480 (VGA) |
| Image resolution max.     | 3840x2160                                                                  |
| Signal format             | AHD @ 8MP, CVI @ 8MP, HD-TVI @ 8MP                                         |
| Other                     |                                                                            |
| Manufacturer order number | 236125                                                                     |
